PERSONAL AND EDUCATION

Kennesaw State University, Kennesaw, GA 30144

January 2015 - Present

Bachelor of Science in Software Engineering · GPA: 3.1

WORK EXPERIENCE

Contractor, Construction · Wexford Home Improvement

January 2018 – May 2018

- Inspected various residential locations to determine extent of maintenance or repairs, as well as estimated budget and time needed to completion.
- Developed essential communication skills and trade-related math calculations essential to a safe, efficient job site.

Administrative Assistant · Stephanie Ann Author Services

October 2015 – January 2017

- Scheduled and coordinated meetings and appointments for authors.
- Developed and designed, using online website builders, home pages for author marketing.

Student Assistant · Kennesaw State University

August 2015 – December 2015

- Serialized incoming IT/AV equipment and inputted information into an online registry.
- Installed 100+ different computer systems between two major campuses.
- Digitized all papers records of equipment rentals and managed online database of said rentals.

Fire Direction Controlman, Corporal · United States Marine Corps

May 2010 – May 2014

- Using computer software, performed detail survey operations, preventive maintenance, routine testing, and authorized minor repairs to survey and fire control equipment.
- Fire control computation using computer equipment systems, plotting survey data on firing charts, determination of target coordinates, and conversion of target coordinates into firing data and command.

COMPUTER AND TECHNICAL SKILLS

Operating Systems

- Windows XP, Vista, 7, 8, 10; Mac OS X 10.4 – 10.13

Programming Languages

- Java, C++, HTML5, SQL

Other Computing Knowledge

- Microsoft Office Suite

SCHOOL PROJECTS

Project Lead · “Ma and Pa’s Pizza Delivery System”

November 2017 – December 2017

- Worked with a group of multi-skilled individuals to code and develop an application that could meet the needs of a pizza delivery service. Developed using Node.js, Firebase, HTML, and CSS.
